

LINCOLN ESTATES WOMAN DIES FROM BURNS

FRANKFORT HOMECOMING JULY 16 AND 17 TO HAVE GOOD PROGRAM

Letters To The Editor

The News-Bulletin
Mokena, Ill.
Dear Editor:

In Mr. Powers' "studied opinion" of the "Mokena Racket", he does bring out a few facts which make the situation more ridiculous than ever. If the Village Board members are police officers, as Mr. Powers states, why do they have to hide behind a part time police officer? The traffic violations are very obvious to everyone and especially so to the board members. Why should the village pay even the "nominal rate of pay" just because the Village Board members do not wish to offend their friends? It is apparent that the board is sufficiently protected as their efforts stopped with the installation of the "Phantom Stop Signs."

If the money spent on the "part time effort" had been used for regulation stop, parking and speed limit signs, the Village Board members could have enforced the laws themselves in an intelligent manner. Under the existing situation no one knows

Senator R. J. Barr Bids Farwell To State Legislature

At the final session of the state legislature held in Springfield last Friday, Senator Richard J. Barr of Joliet announced he would not be a candidate for re-election in 1950, and thus took his final leave of the state capitol where he had spent 47 years in service of the state.

Mr. Barr, 82, holds not only a record of this nation, but a world one as well, by his having served for 47 continuous years as a member of the upper house of the state legislature.

He has been in politics most of his adult life, and before going to the Senate he served as mayor of the city of Joliet.

Senator Barr states he plans to give his time to his farm and his law office business.

Incidentally, his leave of the capitol was not without event, as the train he was riding on, the Abraham Lincoln, was derailed. Senator Barr, his son Richard J. Barr Jr. and his secretary, Miss Cecelia Connolly were on the train.

Seated with his father, Richard Jr., told him to hang on to the seat in front, as the train went off the rails, thus he was not thrown from his seat. He did receive a bruise on his hand. His son and secretary were shaken. Four pullman cars and the diner left the track but did not upset. The accident occurred a few miles north of Springfield.

Plane Caught in Wires Crashed in Frankfort

An accident occurred Monday morning on the Albert Krusemark, Sr., farm located on the Lincoln highway, east of Frankfort on the Will Cook line when a plane caught in the electric power wires, Mr. and Mrs. Arthur Marti are tenants on the farm, and arrangements had been made to spray a corn field for corn borers.

This work is done by a light plane first taking to the air to spot the field for the sprayer. Mr. Willard Rusk of Kankakee was the driver of the light airplane, and as he was attempting to land in a field next to the corn field, the tail of his plane caught in the electric power lines, causing the plane to crash to the ground. He stated that he did not notice the wires.

A passing motorist, seeing the accident, came to the rescue of Mr. Rusk and took him to St. James hospital in Chicago Heights, where he was treated for bruises. He was badly shaken up. The plane was wrecked.

Later in the day the field was sprayed.

Mokena Post to Help Employment of Vets

Seeking to improve at all times their service to veterans, the William Martin Post 725, VFW at Mokena has appointed Fred Steinhagen as Service officer.

The officers of the Post state that any veteran whether a member of this or any other veteran's post, who would like to improve their employment, or who is without employment, should contact Mr. Steinhagen who has a list of positions available, direct from the Illinois Veteran's Employment office at Springfield.

Petition Filed for \$9,000 Pease Estate

Mrs. Laura Carlson of New Lenox has filed a petition with Probate Clerk Donald C. Lang, asking that she be named the administratrix of her brother, the late Charles P. Pease, estate. Mr. Pease died April 22 without leaving a will, and left an estate of \$7,000 in personal property and \$2,000 in real estate.

The heirs are beside Mrs. Carlson, two other sisters, Mrs. Annie Cooper, Rockford and Mrs. Hattie S. Pugh, Joliet, and a nephew, Kenneth E. Timm, Cherry Hill road.

The Bounding Olympians, the second act booked for the show at the Frankfort Homecoming July 16 and 17, are three young men in a trampoline routine that is fast and furious. They are artistically refined, yet full of boisterous action and comedy and are far ahead of any other trampoline act. It has been stated they are the finest ever seen in this region.

Both from the sensational and comedy angles, this attraction has been hailed by the press and public as the greatest novelty find in years. Every move and action perfectly timed, the way they bounce and fall off the trampoline is a show in itself.

The audience is so engrossed that they seem to be right up there on the trampoline jumping and bouncing with the performers.

The sponsors of the Frankfort Homecoming, The Bobzin-Swinford Legion post, Frankfort fire department and the Frankfort Township Sportsmen club, are putting forth great efforts to make this event outstanding in their history. They are planning everything for the pleasure and comfort of those attending and are looking forward to a great two-day period. There will be dancing both evenings.

There will be many awards made during the two days and many amusements and games to help make the days eventful. But not least, will be the meeting of friends who are coming home to Frankfort for just that reason.

The place will be the Frankfort grove located on route 45, just north of the village. There will be no admission to the grove.

County Golf Tourney Joliet Aug. 7 and 14

The Joliet Herald-News and the Joliet Park district will sponsor their 20th annual Will County Golf tourney Aug. 7 and 14, it was announced yesterday by Bob Laraway, of the Herald-News Sports department, and John J. Clemens, Jr., Park district recreation director.

The qualifying round of the tourney will be played Aug. 7 over the Inwood and Woodruff course, and will be 18 holes of meral play. Each golfer may designate the course of his choice. The tourney is open to all residents of Will County.

A 36-hole final will be played Aug. 14 with an 18-hole morning round scheduled for Inwood and an 18-hole afternoon round at Woodruff.

The tourney will be divided into five divisions: men's, women's top-flight, women's novice, "A" juniors and "B" juniors.

"A" junior bracket is for boys between the ages of 18 and 21 while "B" juniors is for those under 18. The women will be bracketed according to their qualifying scores.

The qualifiers in the men's division will be bracketed into championship, first, second, third, fourth, and fifth flights according to scores.

Mokena Scouts go to Morris Camp Sunday

The Mokena Boy Scouts will gather at one o'clock next Sunday in the village Park to start their trip to Morris where they will spend a week at the Scout reservation.

While there they will be lodged in the Trapper's lodge, a log cabin. A full program is scheduled which includes two daily swimming periods, archery, rifle range, boating, ball games, bait casting, nature study, scoutcraft, camp fires and Indian pageantry.

William Weber and William Riemann and Robert Roth will accompany the boys to camp.

Thursday evening has been set aside for visitors.

Assessor Lists Value Of Frankfort Twp.

Report of the valuation of Frankfort township as released this week by Assessor Joe Kohl is as follows:

Total valuation, \$2,203,904; unimproved acreage, \$118,670; improved acreage, \$584,737; improvements (buildings) \$517,225.

Unimproved lots, \$65,730; improved lots, \$81,030; improvements, (buildings) \$291,000.

Personal property valuation is given as \$244,034 which is lower this year, due to the fact there are fewer cattle, horses, and hogs. This has been caused by the high prices of these animals and the farmers are afraid to pay the high price at this time.

There are 259 dogs outside the village.

Agricultural statistics list 20,750 acres in the township under cultivation with corn, oats, beans, wheat, alfalfa, clover and other hay and pasture land. There is more idle land this year.

CHURCH PICNIC SUNDAY

The St. Anthony Catholic church at Lincoln Estate will hold their third annual picnic on the church lawn Sunday afternoon, July 10, starting at one o'clock and continuing to 11 o'clock.

FRANKFORT FAMILY IN CONTEST

Mr. and Mrs. Lloyd Heisner of Frankfort have been nominated as a Typical Farm Family in the contest in Will County.

To Repair Village Hall Roof and Tank

At the village board meeting of Mokena held Tuesday evening, Clarence Mast resigned as village trustee, giving as his reason his hours of employment have been so changed as to make it impossible for him to serve. He was elected in April and has served two months.

The village has purchased a power mower which will be used by the Boy Scouts to keep the grass cut in the village park and the Memorial Pioneer cemetery.

Complaints have come to the Board of the water flowing out of the drainage tile on the west side of Wolf road, near LaPort road, that the water is a nuisance. It was suggested that 18 inch tile be laid to connect at the opening and extend south beyond the trouble area.

Edward Martie was re-appointed as village maintenance man. His duty is to blow the fire whistle, oil and grease the water pumps, clean the village hall and read the water meters once a year. Harold Miller, who was appointed village treasurer to fill the remaining two months of the late Mrs. Rose Steinhagen's term, was appointed to fill that office for the coming year.

The village water tank has been reported leaking, and action was taken to secure a man to inspect, repair and paint it.

It was also decided to tear down the old shed in the rear of the hall and as the roof on the hall is leaking, causing the plaster to crack and fall, action was taken to re-roof the building using a good asphalt roofing and finishing with tar.

PFEIFER REUNION

The annual Pfeifer family reunion was held Sunday, July 3 at the Frankfort grove with approximately 175 attending.

A potluck dinner was served at noon and refreshments were available on the grounds, during the afternoon and evening.

Games were played and many prizes awarded. The oldest member present was Mrs. Sarah Pfeifer who celebrated her 90th birthday this week.

Group pictures and movies were taken.

A committee was appointed for next year's reunion which will be held the last Sunday in June. Those in charge will be Gilbert Pfeifer of Hinsdale, Roy Pfeifer of New Lenox, Nels Pfeifer and Marie Cables of Chicago Heights.

Relatives attending were present from Hinsdale, LaGrange, Homewood, Peotone, Manhattan, Joliet, Chicago, Chicago Heights, DeKalb, Lansing, Thornton, Blue Island, Green Garden, Western Springs and New Lenox.

Summit Hill School Damaged by Fire

Wednesday evening about 7:30 o'clock Mr. and Mrs. Christ Kohl, who live across the street from the Summit Hill School, District 161, smelled smoke. Upon investigating they saw smoke coming from the roof of the school building. They at once called the fire departments of Mokena and Tinley Park, who responded at once.

The smoke and fire was confined in the southeast corner of the building where the electric wire enters. Fire had started in the boys wash room and the attic in that corner, and soon spread to other parts.

The piano and all the seats were carried out as well as other important equipment.

It is thought that lightning might have struck during the storm just previous and that the wiring might have been defective which caused the fire. Damage is estimated at around \$3000.

Directors for this school are Jerome Daugherty, John Bettenhausen and Elmer Bormet. Miss Isabel Harmening of Frankfort is the teacher.

Granted Decree

Granted the right to resume her maiden name of Gladys Watkins, Mrs. Gladys Nelson, Mokena, was given a divorce in circuit court Tuesday morning from Kenneth Nelson, on the charges of drunkenness.

Vivian Schellhase and James Lind Exchange Vows in Frankfort Church

At a double ring ceremony performed in the Frankfort Methodist church Saturday afternoon, July 2, at 4:00 o'clock, Miss Vivian Schellhase, became the bride of Mr. James Lind. Rev. Lloyd Coleman officiated.

The bride is the daughter of Mr. and Mrs. Ervin Schellhase and the groom's parents are Mr. and Mrs. Elmer Lind, all of Frankfort.

Palms, vases of white gladioli and candles decorated the church altar.

Preceding the ceremony, Miss Lillian Collins of Chicago Heights played a group of love songs on the organ and accompanied Richard Lambrecht when he sang, "Oh Promise Me," "Lieberstrom," and "The Lord's Prayer."

Given in marriage by her father, the bride was becomingly gowned in white slipper satin, with lace trimmings and a long train. Her finger tip veil was caught by a tarr of orange blossoms fashioned with the veil net. Her only jewelry was a rhinestone necklace centered by a pearl, a gift from the groom, and she carried a white carnation bouquet centered with two orchids.

The gowns of her attendants were identical in fashion, each being of marquisette with a full skirt with a hoop bottom and caught at several places with matching rosebuds.

Colliding of Cars Puts One in Hospital

Two cars figured in an accident on the Lincoln highway about 1:00 A.M. Tuesday morning, July 5, when they side-swiped each other.

In the car going east were Dedmar Genens, driver, Erma Breyer of Frankfort and Norman Williams of Lincoln Estates, and in the other car going west were Peter Koolman and Gertrude Heath of Lincoln Estates. The accident happened near Arch Inn. Both cars were badly damaged.

Norman Williams was removed to St. James hospital at Chicago Heights.

Fails To Make Turn, Car Lands on Tracks

Trying to teach his wife to drive their car, caused what could have been a serious accident.

The couple, from Chicago whose name was not obtainable, were driving south on Mokena road last Friday, and when they came to the Elmer Benson corner, for some reason the woman could not make the turn, and instead, continued going south and landed on the Rock Island tracks.

It was fortunate they stopped on the track where at the time no trains were coming. The section men put out flares at once to slow down the approaching train on the opposite track, and assisted in getting the car off the track. The car, a Chrysler, was towed to Cooper and Hoostert garage and later a wrecker from Chicago took it to the city. No one was hurt.

Telephone Co. Orders Retrenchment Program

R. F. McQueen, manager of the Illinois Bell Telephone company at Joliet has issued a statement that the Company's Board of Directors has ordered an immediate cut of \$12,500,000 in the Company's improvement program and stopped commitments on impending construction activities which would cost \$34,000,000 more.

This action was the result of a ruling handed down last Wednesday by Judge Frank M. Padden of superior court in Chicago, who denied the company's request for an injunction to keep the Illinois Commerce Commission from interfering with its collection of temporary rate increases totaling \$34,100,000.

The commission had granted the Illinois Bell Telephone company a \$7,600,000 boost. The telephone company still has a request before the ICC for a permanent \$34,100,000 boost. It is expected to receive this decision sometime in October.

"Changing a big improvement program takes a lot of time to analyze every project," Manager McQueen said "and I just don't know in detail where the retrenchment program will stop."

"So far, I'm hopeful that the Frankfort-New Lenox area will escape, but when your earnings continue to be too low, you have to pull in your horns sometime, and no project is sure of escaping some modification."

He pointed out that also affected would be contemplated purchases from many of the Company's 5,000 suppliers in Illinois from whom the Company buys trucks, construction equipment and miscellaneous items required in its day to day operations.

"Unfortunately," he said, "the circumstances which forced these decisions will also affect employment."

The Telephone company for the past 12 months has financed its new construction by short termed loans, and now owes \$90,000,000. About \$55 million of capital funds has been spent by the Company so far this year on new construction and to care for service demands and for technical improvements.

McQueen said that the Company is holding 14,000 orders for new service in certain localities and 78,000 orders from present customers for individual or two party lines.

NEW ROAD COMMISSIONER APPOINTED IN HOMER TWP.

George Bump Jr., has been appointed highway commissioner for Homer township, to fill the vacancy caused by the death of Ralph Cutler.

EXPLOSION OF GAS WATER HEATER SETS FIRE TO MOTHER-DAUGHTER

WATER FIGHTS EACH NIGHT AT ORLAND CARNIVAL

A feature attraction of the first annual carnival to be conducted by American Legion Post 526 and the O-land Park Fire department will be the nightly water fights between specially picked and trained teams from various fire departments in Chicagoland. The Steger team, 1947 champions of the Firemen's Association, will be a leading contender for top honors. The finals of the water fights will be held the closing nite of the carnival, July 17.

The carnival will open Friday night, July 15, and will be held at the baseball park on route 7 in Oland Park.

The services and equipment of one of the top notch amusement companies have been secured for the big event, according to Co-managers Firalvo and Dugan. The always popular merry-go-round, ferris wheel and tilt-a-whirl rides will be provided for the enjoyment of the children. A variety of skill games will be available for youths and there will be ample entertainment facilities for adults.

To provide fun for all people in the Palos-Orland-Tinley Park area will require the services of 125 legionnaires and firemen. All details of the big affair have been carefully worked out even to emergency first aid facilities which will be made available by the Red Cross.

Legion Notes

Frankfort, Ill.
Bobzin-Swinford Post 1098

The next big event coming for the Legionaires and families is the Legion picnic Sunday July 10, to be held in the Van Horn woods. It is to be a potluck meal with the Post furnishing the pop and ice cream. So all you Legionaires and Auxiliary unit members bring the family out to the Van Horn woods for the day and enjoy yourself playing ball and other games that the committee has planned.

The next regular meeting of the Bobzin-Swinford Post 1098 of the American Legion will be held in the Frankfort village hall Monday evening, July 11 at 8 p.m. Besides the regular business meeting the main topic to be discussed will be the election of next year's officers.

SOFTBALL NEWS

Sunday, June 26 the Frankfort Legion A. C. softball team defeated Manhattan 17 to 16 in a hitter's slugfest. The team will be idle for the next two Sundays on account of the Legion picnic Sunday, July 10 and the Frankfort Homecoming being July 16 and 17.

AUXILIARY NEWS

The next regular meeting of the Auxiliary Unit of the Bobzin-Swinford Post 1098 of the American Legion will be held in the Frankfort village hall Thursday evening, July 14 at 8 p.m. Plan to be there as we are starting a new year. See you at the picnic.

Mrs. O. W. McGovney Died in Joliet Sat.

Mokena relatives and friends received word Saturday of the death of Mrs. Ozias W. McGovney, the former Mary Stevens of Joliet.

Mrs. McGovney, age 54, had undergone surgery in Silver Cross hospital a few days previous, which was followed by complications causing her death.

Mr. McGovney, a former Mokena resident, is a brother of the late Ota E. McGovney.

Surviving beside her husband, is a daughter Mrs. Marybelle Smith and a brother, Arthur J. Stevens.

Funeral services were held in the Sonntag funeral home in Joliet Tuesday afternoon, with the Rev. James G. Franz officiating. Interment was in Elmhurst cemetery.

New Car Owners Land In Ditch on 1st Trip

Petro Rios and C. Gonzales, Mexicans who are employed at Mokena by the Rock Island railroad figured in a minor auto accident last Friday.

A few days previous they had purchased a Ford tudor from the Mokena Motor Sales, and were driving it to Tinley Park. They had crossed route 45 and were taking the gravel road, and it is presumed they were traveling too fast which caused them to lose control of the machine and they landed in a ditch.

No one was injured, the only damage to the car was a bent front axle. The car was towed to the Mokena Motor Sales.

HELD DOUBLE RUN AT CARD PARTY

At the VFW Auxiliary card party held in Hatch hall in Mokena last Saturday evening, Mrs. Fred Hentsch held a double run in spades in the pinocchio game. Her partner was Mrs. Glen Peterson and together their score was 1740.

This was the second time Mrs. Hentsch has held a double run in cards.

The community of Lincoln Estates, east of Frankfort on the Lincoln highway, was shocked last Friday, July 1, when they heard of the tragic death of one of their citizens, Mrs. Edith Schaper.

Mrs. Schaper had gone into the basement of her home, on 80th avenue, at ten o'clock that morning to light the automatic gas water heater, but before she could strike a match, the heater exploded in her face. Her daughter Ruth Hildreth, aged 15, who was standing on the basement stairs, was blown through the rear door by the concussion and she and her mother ran from the house in flames.

Another daughter, Rosemarie, 16, quickly grabbed rugs and blankets and tried to beat out the flames on her mother and sister. Ronnie, 13, a son, ran to neighbors to summon help, who came at once and tore the flaming clothing from the women. In the meantime, Mr. Schaper, who works nights, and who was asleep on the second floor, was aroused by the explosion and ran downstairs to see what had happened. He saw the walls and ceilings of his home blown in and small fires burning on the first floor. He rushed to the aid of his wife and daughter, who were removed to Silver Cross hospital in Joliet.

Mrs. Schaper died that same evening at 6:15 and Ruth still remains in a critical condition.

Mr. and Mrs. Schaper and family moved to Lincoln Estates nine years ago and during that time she had endeared herself to all who knew her. She always took an active part in all community and civic affairs, and was always ready to help in any good cause. She will be greatly missed by her family and friends.

Born 41 years ago in Whittington, Illinois, she later moved to Benton, where she spent her youth.

Surviving beside her husband Gustav are three children, Ruth, Rosemarie, and Ronald; her mother, Mrs. Nancy Fryer, Whittington; four sisters, Mrs. Lina Warner, Cervo Gordo; Mrs. Emma Moore, Springfield; Mrs. Irene Waller, Mt. Carmel; and Mrs. Omega Cokeham, Cave Creek, Ky., five brothers, William, Litchfield, Jessie, Ina; Luther, Phoenix, Ariz., and David and Sherman of Whittington.

Funeral services were held in the Methodist church at Frankfort at 10 o'clock Monday morning, July 4, with Rev. Lloyd Coleman officiating. The body was shipped to Benton where final services and burial took place.

WATER FOR JOLIET FROM HOMER TWP.

After much planning, investigation, and study by engineers to solve the water problem for the growing city of Joliet, decision was made to bring water to that city from wells in the north east section of the county.

It was found that to follow suggestions to bring water from Lake Michigan was far too expensive. For many months past right-of ways have been purchased and drilling of wells begun. Large pipe can be seen lying north of Maple road which will carry water into Joliet.

The Joliet planning commission believes it has found the answer to the city's water problem with the successful drilling of several test wells along the valley lying either side of spring creek. Several such wells are located in the southwest part of Homer township and the northwest part of New Lenox township.

It is planned to drill a very deep well on the farm formerly occupied by Mr. and Mrs. Tony Messman, New Lenox township, also one on the Buck farm, in Homer. One has been put down on the Otto Brick farm in Homer and another is in the process of construction on the Mrs. Bell Storm place, New Lenox township.

The Wayside Golf Course (formerly called Tinsman Golf Course) is the site of a well from which water is bubbling at a rate of 20 to 25 gallons per minute, as reported by Smith and Ellis, Joliet well-drillers. The depth of the well is 100 feet and is flowing through a four inch pipe.

Old-Timers recall that a similar well was located near the Goodings Grove Creamery and not far from the present new well, many years ago, but such wells have been very rare lately.

The flowing well located in Pilcher's park, east of Joliet which has been flowing longer than the memory of most citizens in this locality, still is gushing forth day and night, and many people fill jugs for their home drinking use from that good tasting, and good as to analysis, water.

Perhaps these wells that are now being drilled nearby the Pilcher Park arear, stemm from the same source.

In early Joliet history it was common to produce a "gusher", but because of the lowering of the water table in that area, flowing wells have been rare in recent years.

CELEBRATED 40th ANNIVERSARY

Mr. and Mrs. Arthur Geuther of Frankfort were married 40 years Wednesday June 29, and in honor of the event 20 relatives gathered in their home on Thursday evening to help them celebrate.

The evening was spent socially, and refreshments were served later in the evening. The group presented Mr. and Mrs. Geuther with a purse.

Mrs. Clarence Beagley entertained the Orland Methodist Women's Society of Christian Service in her home last Thursday for its regular monthly meeting. Assisting hostesses were Mrs. Thomas Cooper, and Mrs. Brandau. At noon they served strawberry shortcake, ice cream and coffee to supplement the sandwiches brought by the members. The day was occupied with sewing, a business session, and a devotional program, the latter under the direction of Mrs. Forrest Miller. Guests from out of town were Mrs. Edwin Cooper of LaGrange, Mrs. S. Martin of Alberta, Canada and Wendy Elliot of Joliet. Despite the hot weather the meeting was thoroughly enjoyed by all present.

Everyone was much pleased to have Mrs. Paul Marks with the group again. She and her husband have gotten settled in their new home on the Clarence Beagley farm.

Doral Myrick is having a two week vacation with her aunt and uncle, Mr. and Mrs. Robert Koubeneck in Batavia. She motored with them to their summer home at Planting Ground lake in Northern Wis. for the holiday weekend.

Mr. and Mrs. Rosario Cosentino and family visited their son Rosario Jr. at Camp Betz, Berrien Springs, Mich. last Sunday.

Tony Elliott, who has been visiting in the home of Mr. and Mrs. George Sayers for two weeks, returned to his home in Joliet Sunday.

Guests in the home of Mr. and Mrs. Thomas Cooper over the weekend were Mr. and Mrs. William Adkins and daughter Sandra Kay from Michigan. Orland Park Legion Auxiliary, Unit 526 will hold its regular monthly meeting, Friday evening July 8 in the school library. Mrs. Dena Hansen, district president, will be present.

Dr. and Mrs. George Agate and son David have returned to their home in Atlanta, Georgia after a visit with the Doctor's mother, Mrs. David Agate.

Naomi Horn, who is visiting with her grandparents, Mr. and Mrs. Robert Horn in Orland Park, is the proud sister of Sue Ann, an eight pound thirteen ounce baby girl, born June 24 at St. Francis hospital to Mr. and Mrs. Herbert Horn of Evergreen Park.

Mr. and Mrs. Earl Sayers, daughter Evelyn and Elmer Rogers motored to Camp Betz Sunday where son Kenneth is vacationing with other Boy Scouts from Orland. They found the boys enjoying a swim in the fine new pool, Edward Manning, Scoutmaster,

showed them about the camp.

Mr. and Mrs. Marvin Cooper are announcing the arrival of a son born to them in St. Francis hospital, Blue Island Tuesday, June 28. He weighed seven pounds two ounces and has been named Robert Marvin.

Methodist Church

The Church School will begin at 9:30 a.m. Sunday, July 10.

Pastor Rompel has been returned to the Orland Park Methodist church for another year. The Sanctuary Service at 10:30 a.m. will be unusual. It will be a Father and Son service. The "Father" will conduct the service, the "Son," will preach the sermon. The members of the church, the neighbors and friends are invited to attend. All are welcome.

WORRIED? BIKE CARES AWAY

Rx: Two hours of brisk bicycling daily.

With thousands of Americans suffering from the combination of too little exercise and too much worry, the prescription of outdoor therapy such as cycling as gaining favor with the nation's medical men. Cycling not only keeps the waistline in trim, but also eases the mental tension built up in the average day's work, according to the doctors.

Dr. Harlan G. Metcalf, wartime head of the government's physical fitness committee, calls the bicycle "a way to break the vicious cycle of work, worry, fitful sleep, less work, more worry, less sleep." The emotional satisfaction of cycling contributes to high morale and helps restore physical and mental fitness.

"The greatest accomplishments in life do not come as gifts or prizes. Bicycle riding is a concrete illustration. You get where you're going as a result of your own efforts with the significant 'lift' of tangible accomplishment."

A long list of octogenarian bicyclists back up Metcalf's theory. "Dad" Howe, 94 year-old dean of pedal pushers, recently completed a 2,837 mile trip from Georgia to the Pacific Coast, that sort of cycling isn't what the doctors order, but it illustrates their point.

For the average rider, a short daily spin and weekend wheel are excellent conditioners. Three to ten miles a day, suggests Metcalf, with individual physique as the final judge of distance. Age limit? "from seven or eight to 100 years old."

For women, cycle-shopping replaces dieting to keep extra pounds off. The bicycle exercise, reducing salon favorite, is even better for all-around health when done aboard a bike outdoors. Chair-borne males are turning to two-wheelers for recreation and exercise.

Medical surveys point up the benefits of intelligent, vigorous cycling. Biking strengthens the heart and circulation, steps up efficiency of the human "thermostat," builds lung power. Muscles throughout the body also get a smooth workout. The female fear of "bike muscles" has been proven a myth by the GI's returning from France, who reported that cycling has slimmed and shaped the legs of Parisian women.

Thousands of adult enthusiasts found out about the bike's benefits during the war when gasoline rationing and short supply of tires put them in the pedal brigade. Many of them stayed on their bikes even after the restrictions, swelling the country's cyclists to a record high of 13,000,000 greatest bike population in the world.

Some of the rules for pedaling pleasure are:

Obey all traffic signs, signal correctly before making turns and walk bike across heavy traffic. Don't stunt or weave in and out. Ride single file and single passenger. Carry parcels in racks or carriers. Never try to get a dangerous lift by hitching onto a moving vehicle. For night riding, equip your bike with headlight and tailight. Keep your wheel in good running order by frequent checks of brakes, chains and tires. Use your head and you'll be sure to keep it.

Corn Borers Eggs Numerous This Year

Farm Adviser C. A. Hughes reports after examining a number of corn fields both in Northern and Southern Cook County that the egg deposits are more numerous now than in former years. "This would indicate that there will be some corn borer damage this year," says Hughes. "However, it is our opinion that the infestation is not so heavy in Cook County as it apparently is downstate. On the earliest planted corn that at the present time is considerably above knee high there is one egg mass, sometimes two, on most stalks of corn. On corn somewhat smaller than this there may be an egg mass on every other stalk. Corn that is not over knee high by the 4th of July will not have a great many corn borer eggs on them and, in our opinion, will cause the grower no worry.

"While there are large numbers of eggs in the tallest corn and it undoubtedly would pay to start spraying with DDT, we believe that for field corn that is not too economical a procedure. Usually there should be two sprayings on every heavily infested field where there will be probably as many as half a dozen corn borers per stalk. We do wish to qualify these predictions because when the corn borers hatch out they are small fragile worms, and should weather turn hot and dry with possible hot winds, most of these little worms will perish. If, on the other hand, weather is fairly cool and there is some humidity, there is a good chance of these little borers having a high survival rate.

"For sweet corn these recommendations do not apply. If there is much infestation at all in sweet corn, it certainly will pay to spray this crop heavily if you wish to produce corn without too many worms in it.

"Our operation bears out the recommendation that we have made in the past," states Farm Adviser Hughes. "It is our experience in Northern Cook County that corn planted between the 15th and 20th of May will have a small number of borers and yield more bushels of corn to the acre."

DDT should be kept off of corn to be used for fodder or silage as the Pure Foods People are questioning the appearance of DDT in milk.

Another New Dairy Product; Canned cream

Have you ever wished you could buy canned cream at your grocer's? It's been manufactured and marketed by a Wisconsin dairy company and is being readily accepted by consumers, according to a front page story in the July 2 Prairie Farmer.

LEGAL NOTICE

Cook County
Personal Property
Assessment
For 1949

OFFICIAL NOTICE

This publication is the official notice to property owners, of the 1949 personal property assessments made in the town and district indicated.

RETURNS AND ESTIMATES

THE LAW PROVIDES THAT WHERE A PROPERTY OWNER FAILS TO RETURN A SWORN SCHEDULE LISTING HIS PROPERTY THE ASSESSOR OF COOK COUNTY MUST ESTIMATE ITS VALUE ACCORDING TO HIS BEST JUDGMENT AND INFORMATION, AND ADD THERETO A PENALTY OF 50 PER CENT. ASSESSMENTS RAISED ON ESTIMATES AND RETURNS HAVE EQUAL STANDING IN LAW.

The amounts herein listed are the assessed values of personal property as of April 1, 1949, as determined by the Assessor of Cook County.

The amount listed as the assessed

value is not the tax. The tax may be determined by multiplying the assessed valuation, after it has been equalized by the Department of Revenue of the State of Illinois, by the tax rate in the Town and District in which the property is assessed. The Assessor has nothing to do with the equalization of values or the establishing of tax rates. BASIS OF COMPLAINT ON ASSESSMENTS

Where a property owner has a specific claim of over or under valuation, complaint may be filed with the Board of Appeals in the County Building, immediately after this notice.

INFORMATION ON ASSESSMENTS

Each property owner who has any questions in regard to the same, should inquire at the office of the Assessor of Cook County, Room 312, County Building. Information will be furnished without cost.

"Listen, I don't joke about the budget."

"You really mean it costs only 8c a day to operate an automatic GAS water heater?"

"That's right! We have all the hot water we want every day whenever we want it... and it costs less than half a pack of cigarettes."

"Brother, that's really worth knowing. We're always running out of hot water at our house... and Marge says she never gets through the laundry without stopping to wait for more hot water."

"We used to have that trouble, too. But not any more. And Jim, the best part about an automatic GAS water heater is you never have to go near it after it's installed. No more early morning trips to the basement for me."

"Oh, don't remind me of my troubles. It seems I spend half my evenings coaxing our water heater so there'll be enough for baths."

"Why don't you look into automatic GAS water heating? I wish we'd had ours years ago!"

"Believe me, I'm going to! Who do I see?"

"Oh, your master plumber, appliance dealer, or nearest Public Service store. Any of them can help you."

Check on this today. See your master plumber,
appliance dealer, or nearest Public Service store.

So Much for So Little with an Automatic **Gas** Water Heater

The convenience of automatic GAS water heating costs only about 8¢ a day... less than the price of half a pack of cigarettes.

Mrs. Nick Smith of Waukegan is visiting at the home of Mr. and Mrs. Henry Mark for a week.

Mrs. Georgia Campbell returned to Chicago Monday after visiting in the home of Mr. and Mrs. Henry Mark. Mr. and Mrs. Joseph Luks and family of Auburn, Mass., have arrived at the home of the latter's sister and family, Mr. and Mrs. Martin Miller for a week's visit.

Mr. and Mrs. Russell Kohlhaugen entertained a group of fifteen couples and their families Monday evening at their home at a watermelon party. Volleyball was the evening's diversion followed later by fireworks. Guests from out of town were from Monee,

Joliet and Peotone.

On Saturday evening July 2, Mr. and Mrs. Lester Heisner entertained a group of friends at a weiner roast at their home in honor of their son Douglas's sixth birthday anniversary. Guests were Mr. and Mrs. Clarence Heisner and family, Mr. and Mrs. Elmer Sievert and family, Mr. and Mrs. Harry Miller and daughters Donna and Lorna and Mr. and Mrs. Vernon Fink and son Allen.

Mrs. Elmer Sievert and family attended the baptismal services of the infant daughter of Mr. and Mrs. Edward Vehrs of Monee, on Sunday afternoon, July 3 at the St. Paul Evangelical church by the Rev. W. Bloesch, pastor. Name given was Beverly Jean. The sponsor was Mrs. Sievert who is a sister of Mrs. Vehrs. Later a delicious luncheon was served at the home of the Edward Vehrs.

Sunday, July 3, Mr. and Mrs. Glenn Folkers, accompanied by Dr. and Mrs. W. V. Hedges motored to Chicago

where they enjoyed a tour through the Wesley Memorial hospital, which was arranged by Miss Charlene Folkers, daughter of the Glenn Folkers, who is in training there.

Miss Bernice Voss, daughter of Mr. and Mrs. Gilbert Voss, accompanied by Miss Vivian Breen of Elwood, have gone on a tour to Denver, Colo., and adjacent points of interest. They left July 2 and will be gone 10 days.

The Green Garden Home Bureau unit will meet Friday, July 8 at 2 pm. at the home of Mrs. Edwin Dralle.

Mr. and Mrs. Gilbert Voss entertained Mr. and Mrs. Walter Sundmacher and family of Park Ridge over the holiday weekend.

Mr. and Mrs. Harold Scheer entertained a group of friends at a weiner roast July 4 in the evening. Guests were Mr. and Mrs. Leroy Mager and family, Mr. and Mrs. Clarence Wisal of Lockport, and Mr. and Mrs. Orval Schroeder and family.

Mr. and Mrs. Fred Heisner, Mr. and Mrs. Henry Breidert and Mr. and Mrs. Burton Breidert and son Bobby spent the holiday weekend at a cottage at Lake Goshorn in Saugatuck, Mich.

On Thursday afternoon, June 30, Mrs. Burton Breidert entertained a group of about 20 little guests at her home in honor of her son Bobby's sixth birthday anniversary. Evening dinner guests were, Mr. and Mrs. Henry Breidert, Mr. and Mrs. Fred Heisner, Mrs. Kate Lankenau, Miss Viola Lankenau and Mr. and Mrs. Wendell Morrison and family of Andres. In the evening the Burton Breidert's entertained more relatives when movies were shown on their lawn, of their trip to Florida, after which cake and ice cream were served. Bobby received many lovely gifts.

After enjoying a most delightful vacation and fishing trip, Mr. and Mrs. Leroy Hansen and family, accompanied by the former's parents, Mr. and Mrs. Will Hansen, returned last Wednesday evening from Eagle River, Wis., bringing back lots of fish. On Saturday evening the Leroy Hansen's entertained a group of friends and relatives at a fish fry at their home.

Those attending were the Will Hansens, Mr. and Mrs. Vernon Hansen and family, the Manson LaHues, Mr. and Mrs. Ray Guether, Miss Charlotte Guether, James McDermond of Bloomington, Mr. and Mrs. John Hossbach and Mr. Russell Hossbach of Joliet.

Joyce Bauch was pleasantly surprised Sunday afternoon, July 3, when De lores Minger gave a party in honor of her birthday. The 15 guests spent the afternoon playing cooties and dirty bingo with honors going to Eleanor Schilling, Shirley Schultz, Loretta Johnson and Joyce who also received many lovely gifts. Refreshments were served.

Judy Laurie, daughter of Mr. and Mrs. Jim Laurie of Chicago Heights, spent a few days with her uncle and aunt, Mr. and Mrs. Tony Laurie in Frankfort.

Mr. and Mrs. Harry Henderson, who have been living in the Pfaff flat, have moved to an apartment on Raynor avenue in Joliet. Mr. Henderson recently underwent surgery in Hines hospital for the removal of a growth on his eye.

Marching Songs

Lesson for July 10, 1949

WE did not win all the battles we fought with Japan. The day of a certain naval defeat near the Philippines, an American "baby" carrier, left to its fate, was doing its best to get away from the pursuing Japanese. All afternoon it dodged and twisted. Enemy destroyers and planes were hot on its trail, and it was a "sitting duck" in case they really got the range. No one on board expected to live. The only question in anybody's mind was: How soon will they get us? But late in the afternoon, for some reason never explained, the enemy gave up the chase, and the American ship slipped off into the protecting night. The next day, as the men gathered for a special service of thanksgiving, the chaplain read the 124th Psalm. It came as a new Psalm altogether to those men, even to those who had known it by heart:

"If it had not been the Lord who was on our side, when men rose up against us, then they had swallowed us up quick, when their wrath was kindled against us; then the . . . proud waters had gone over our soul. Blessed be the Lord, who hath not given us as a prey to their teeth."

...
"Let Me Write A Nation's Songs"
THE POWER to thrill has not been lost by the Psalms, as the men on that carrier found out. The group numbered 120 through 134 in our Bibles are known as the "Pilgrim Marching Songs," and were originally used by the Hebrews as they went year by year up to their capital city of Jerusalem and to the Temple which was the center of their religion. Then as now, the Hebrews were a singing people. A nation that cannot sing, a nation without songs, is a dismal country indeed.

Difference among various countries is symbolized by their songs, or the lack of them. The Chinese, for instance, have no song that draws them all together in the same way that Englishmen are united in "God Save the King" or as Frenchmen once were by the "Marseillaise."

When it comes to pass, as once it did in the United States, that one part of the nation will sing one song (say, "John Brown's Body") while another part will not sing that song but another one (say, "Dixie"), then civil war is at the gates. Only people who will sing together can be trusted to live together.

...
Singing Church

IN the long caravans, marching up the rocky hillside trails to Jerusalem, the ancient Hebrews put their faith into stirring words set to music. So it is always. All over the Christian world, wherever and whenever the singing is good, religion is warm and vigorous.

Where the heart is full, there will be song. Revivals of religion are revivals of singing. To this day a stranger in a strange city, looking for a church home, is most likely to settle down in the church where the singing is the best.

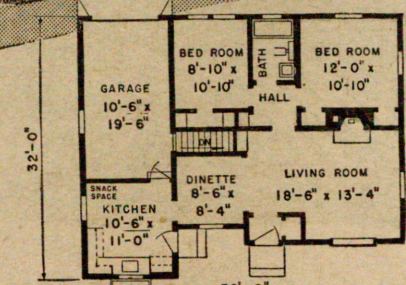

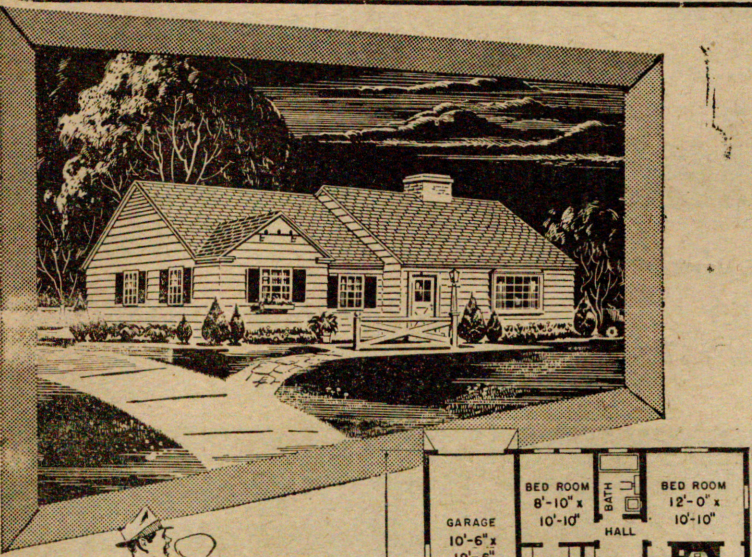

It is not an accident that the Moravian church is at the same time the church that makes more of Easter than some other churches, it is the church where at funerals the music is never sad but joyous, not mourning-songs but triumphant hymns of Christian faith.

...
Patriotism and Religion

READ these marching Psalms through—the reading time is only a few minutes—and see for yourself how the ancient Hebrew men of God united their praise of Him with love for their country. To this day, in our Christian hymnals, patriotism and religion are often combined. The English national anthem, "God Save the King," is a prayer; so is "America the Beautiful." National hymns have a rightful place in a book of public worship. For while patriotism, by itself, is a poor substitute for religion, still a man who will not love his country lacks something of being a good Christian, and on the other hand a man without faith in God makes a very poor citizen.

Sister Appointed to Administer Estate

Probate Judge Fred R. Adams has appointed Mrs. Mary Krusemark of Frankfort to administer the estate of her late sister, Miss Anna Stellwagon. Miss Stellwagon, who died August 7, 1948, left an estate of \$6,100 in personal property and \$10,840 in real estate. There was no will.

Two sisters and a brother share the estate. They are besides Mrs. Krusemark, Mrs. Christine Eichenberg of Frankfort and Henry Stellwagon of Joliet.

Veterinarians Carry Rabies Vaccine for Rural Convenience

Rabies exists in Will County. This is a fact which cannot be denied. Its presence is confirmed by positive laboratory reports, announced the Will County Rabies Control committee.

Rabies is one of the deadly diseases for which there is no cure. The protection of man and his animals depends upon the prevention of rabies.

This is done by combining:
1. The control of stray dogs, and
2. The vaccination of all dogs.

For the convenience of rural dog owners, all veterinarians in Will County will carry rabies vaccine with them on all country calls. They will be able to vaccinate dogs on the farm if requested.

Organized clinics may be planned for smaller communities where local response is indicated.

The Will County Rabies Control Committee will assist in arranging for vaccination clinics. Requests should be addressed to 21 East Van Buren street, Joliet.

There have been 86 human deaths from rabies in Illinois during the past twenty years. The cost of human death from rabies cannot be estimated; however, the cost of anti-rabies treatment and other necessary medical care has been estimated. More than \$100,000 are spent annually in Illinois for this purpose. An additional \$500,000 is lost annually in Illinois by the livestock industry; thus making rabies cost the people of the State over \$600,000 annually.

Protect your family and your dog by having it vaccinated today, urged the Will County Rabies Control Committee.

How could anyone be so naive as to believe that even \$5.00 a month would not buy some small favors for the customers of the merchant who pays regularly.

Mr. Powers mentioned both watchman and police service as being available in Chicago, but failed to say that the same man does not render both.

Editor, News-Bulletin:

Just wanted to tell Mr. Powers that I and hundreds of other people well remember when Mr. Semmler first started publishing this paper, and I am not what I call old. I sure got a kick out of Mr. Powers letter when he said, the "News-Bulletin" has been paying taxes in Mokena as far back as the memory of man runneth not."

Did you look at the paper's number in last week's issue? I said, Vol. 31, No. 46 and if I who am not an attorney know what that means, you should know. But maybe you don't. It means 31 years, and that is not too long to remember. And I hope it will have 31 more years at least. I want to say that if William Semmler was Mayor this thing never would have happened, for he had a level head.

I have no particular criticism of Mr. Power's letter. It was, of course, well written and phrased, and no doubt his

conclusion was logical from the premise or proposition laid down as a basis of agreement. However, it seems to me if one is allowed to prepropose his own premise or basis, it would follow that he is preproposing the conclusion. While the premises or basis stand firm, it is impossible to shake the conclusion. I disagree with his basis on which he reached his conclusion.

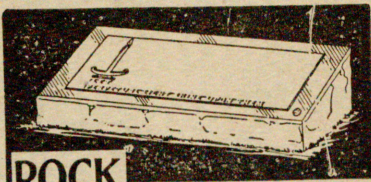

As for me, and I think I can lay this proposition down as a basis of agreement for other residents, tax payers and readers of the News-Bulletin who respect laws and Village Ordinances—believed the Editor used good logic, that is, if logic means common sense in reporting through an editorial something that looked to him like a Racket.

The writer however, does not agree with the Editor's proposal to hire a full time policeman. It seems to me we have been the victims of a prolonged traffic educational campaign on the part of the village board—to educate the residents as to parking and speed ordinance. It is felt by the writer this educational process has finally become a Nuisance. I still don't know what the parking ordinance is and I have heard it expressed by some who drive cars to shop on Front street, that they may be able to save time by going to Frankfort or New Lenox where they could park without the annoyance of arguments with a nagging traffic officer and the threats of arrest for violations.

It seems to the writer that the educational process could be better effected by publishing the ordinances,

putting up a few signs and marking the curbs. And after this is done place the drivers on probation, lay off the traffic officer, save a little of the tax payers money and in case of riots, crime waves or possibly the only actual offenders, as usually in the past, a juvenile or so who may want to use the Great White way for a speed way. In this eventuality surely some one of our village board could use their police powers and by so doing save the village expense for police services which are not necessary nor satisfactory.

A Taxpayer.
